"Most of the best athletes come from the cities because the universities are located there. Students are obliged to take part in daily calesthenics, a relic of the days when Finland was Swedish. The Finns have hundreds of athletic clubs and have hundreds of athletic clubs and enjoy wonderful health and vitality because of the long hours of exercise in sunlight hours."

BELMONT PARK ENTRIES

FOR MONDAY.

The women's putting golf contests which have been a feature at the Columbia Country Club every the Columbia Country Club every

Saturday afternoon during the summer, closed yesterday with Mrs. L. E. Sinclair winning the coveted trophy, a beautiful silver flower basket, presented by Harry Wardman last season. Mrs. Sinclair descent of the lost round 2 up. I to play. Next Saturday the special putting contest which was to have been staged on Labor Day, will take place and will be the last event of the season.

DAYLIGHT MAKES

FINNS ATHLETES

In the open competition for the Hazard Doubles Championship Trophy at Mason City, Iowa, Charlie Spencer made a new professional record. The best previous score on 50 pairs in a competition was 96 out of the 100 targets. This was step into a regular s job and so deliver that none buses the regular. Every half team has its reserves, but only a few have a sub that can step into a regular s job and so deliver that none buses the regular. Every manager would like to have to him the last chicago, August 22, 1917, in the amateur championship at double targets. Messrs. Ridley and Platt are amateurs and their records still stand as the "amateur record." Spencer broke 97 out of his 100.

In the weekly shoot of the Wash-rards spects at all seriously it will incord Gun Club vesterday. C. C. Bellat. The Social Triangle

By O. HENRY

But the heart of Billy was sometimes sore within him. There was a race of men from which he stood apart but that he viewed with the eye of Moses looking over into the promised land. He, too, had ideals cen as had Ikey Spigglefritz; and

uous assemblage in the dining sa-loon of a hostelry where Fashion loves to display her charms. At one table sat Billy McMahan and were outshone by few in the room. The waiter bore the costliest brands of wine to their table. In evening dress, with an expression of gloom upon his smooth and massive countenance, you would tall, slender man, about thirty, with thoughtful, melancholy eyes, a Van Dyke beard and peculiarly white, thin hands. He was dining on filet mignon, dry toast and

apolinaris. That man was Cert-landt Van Duyckink, a man worth eighty millions, who inherited and held a sacred seat in the exclusive inner circle of society
Billy McMahan spoke to no one
around him, because he knew no
one. Van Duyckink kept his eyes on his plate because he knew that every one present was hungry to catch his. He could bestow knight-hood and prestige by a nod, and he was chary of creating a too ex-

And then Billy McMshan constartling and audacious act of his life. He rose deliberately and walked over to Cortlandt Van Duyckink's table and held out his "Say, Mr. Van Duyckink," he

among the poor people down in my district. I'm McMahan, you whow. Say, now, if that's straight I'll do all I can to help you. And what I say goes in that neck of the woods, don't it? Oh, say, I rather guess it does." Van Duyckink's rather sombre eyes lighted up. He rose to his lank height and grasped Billy Mc-

Mahan's hand. "Thank you, Mr. McMahan." said he, in his deep, serious tones. "I have been thinking of doing some

work of that sort. I shall be glad of your assistance. It pleases me to have become acquainted with you." Billy walked back to his seat. His shoulder was tingling from the accolade bestowed by royalty.

A hundred eyes were now turned upon him in envy and new admi-

The walter ventured to whisper that it was perhaps inexpedient to carry out the order, in consid-eration of the dignity of the house and its custom.

"All right, said Billy, "if it's amanast the rules. I wonder it' twould do to send my friend Van Duyckink a bottle." No. Well,

it'il flow all right at the caff to-night, just the same. It'll be rube ber boots for anybody who comes in there any time up to I a m." Bully M. Mahan was Billy McMahan was happ.

He had shaken the hand of Cortlandt Van Duyckink.

The big pale-gray auto with its shining metal work looked out of place moving slowly among the

lower East Side. So did con-Van Duyckink, with his aristo-cratic face and white, thin hands, as he steered carefully between the groups of ragged, scurrying the groups of ragged. Schuyler so did Miss Constance Schuyler, with her dim, ascetic beaut), seate ed at his side. "Oh, Cortlandt" she breathed,

ble it is of you to think of them, to give your time and money to improve their condition." Van Duyckink turned his sol-

emn eyes upon her.
"It is little," he said, sadly,
"that I can do. The question is "that I can do. The question is a large one, and belongs to so-ciety. But, even individual effort is not thrown away. Look Con-stance." On this street I have arstance: On this street I have arranged to build soup kitchens, where no one who is hungry will be turned away. And down this other street are the old buildings that I shall cause to be tern down and there erect others in place of these death-traps of fire and discase."

Down Delancey slowly crept the pale-gray auto. Away toddled convoys of wor tangle-haired, bare-footed bare-footed. washed children.

and awry. Van Duyckink alighted to examine at a better perspective one of the leaning walls. Down the steps of the building came a young man who seemed to epigomize its degradation squaler and infelicity—a narrow-hested pale, unsavory young man, puffing at a cigarette.

Obeying a sudden impulse. Van Duyckink stepped out and warm-ly grasped the hand of what seemed to him a living rebuke. "I want to know you people." he said sincerely. "I am going to help you as much as I can." We shall be friends."

As the auto crept carefully away Cortlandt Van Duyckink felt an unaccustomed glow about his heart. He was near to being a

Saturday afternoon during the sumIn the open competition for the you are talking of emergency brakes

If the United States Congress regards sports at all seriously, it will hearken to a recommendation from Finland.

Finland has natural daylight saving. As a result the Finns with an almost insignificant population to draw from, romped away with second honors in the track and field events of the Olympics this year.

E. W. Broman, a Chicago Finn, on learning that his countrymen had taken 105 points in the Olympics against the 92 of the English and 35 of the French, said:

"Finland is a land of athletics. Boys and girls from infancy delight in outdoor sports because of the long days. It is daylight from 1 in the morning until 11 at night.

"When I was a boy I never got to be seen to be a specific of the Cubs are shown, a contract of the long days. It is daylight from 1 in the morning until 11 at night.

"When I was a boy I never got to be seen to be a specific or the cubs are shown, a contract of the long days. It is daylight from 1 in the morning until 11 at night.

"When I was a boy I never got to be consented as a specific or the cubs are shown, a contract of the long days. It is daylight from 1 in the morning until 11 at night.

"When I was a boy I never got to be consented as a specific or the particular of the long days. It is daylight from 2 in the morning until 11 at night.

"When I was a boy I never got to be consented as a specific or the particular of the cubs are shift and a licental in right and alternate in right field.
